

2019-20 Woodland Park Middle School Yearbooks

For those who have purchased a yearbook:

Hard copy yearbooks will come to the school mid-summer. They are arriving at this time because the publishing plant closed down for several weeks due to Covid-19. They will be distributed during the first couple weeks of school.

In the meantime, you will have access to the digital yearbook. Your student can download the PlusOne App on their mobile device and sign up using their WPMS credentials that they use to sign in to their student cloud account.

For those who have NOT yet purchased a yearbook:

Please purchase your 2019-2020 WPMS yearbook before it sells out!

Online purchases can be made at <https://www.yearbookordercenter.com/> Simply use our school code of **8874** or our school name Woodland Park Middle School when using this website. This is a convenient way to reserve this historic yearbook as it sells out every year.

This year the publisher Herff-Jones is offering those who purchase a yearbook a digital copy of the yearbook at no additional charge. This has already launched!
